

For people with a hearing loss who prefer to speak, listen and read captions on the phone.

# CapTel<sup>®</sup> Service

Captioned Telephone from Oregon CapTel offers anyone with a hearing loss to communicate on the phone independently.

**Listen, read and respond** to your callers with ease using the CapTel phone!

Stay connected with family, co-workers, and friends. It has never been easier with CapTel.

1

You speak directly to your friend using a CapTel phone.

2

Your friend speaks directly to you.

3

A trained operator transcribes the message into text using voice-recognition technology.

4

You listen with your residual hearing and read what you miss on the CapTel's display screen!
