

For people with a hearing loss  
who prefer to speak.

# Voice Carry-Over

711 or 800-735-3260

Voice Carry-Over (VCO) enables users with hearing loss to use their voice to speak to a hearing person on the phone.

## OTHER VCO FEATURES

Oregon Relay has three VCO features:  
**VCO to TTY**, **VCO to VCO**, and **VCO to HCO**.

For more information on VCO:

[oregonrelay.com/vco](http://oregonrelay.com/vco)

- 1** Mother speaks to her son.
- 2** The son responds to his mother and the relay operator types everything the son says, word for word, to the mother.
- 3** The mother reads on a TTY screen what her son said.
